Dear Professor Alymov,

On behalf of mine, Scientific Council and employees of Institute of Precision Mechanics I would like to thank you for coming and participation in the Ceremony of celebration of 90th Anniversary of IMP foundation.

It was very kind of you that despite numerous responsibilities you have dedicated your time and honored us with your presence at the Ceremony.

We are very pleased with this expression of kindness and we hope this is a forecast of future years of the cooperation. Your support is the motivation for us for further activity in the area of scientific research and the expansion of our mutual collaboration.

Yours Sincerely,

D. Sc. Tomasz Babul, Prof. IMP

Director of Institute of Precision Mechanics
