

Dear Colleagues,

The International Conference dedicated to the 50th anniversary of SHS (SHS-50) will be held in the Township of Chernogolovka, Moscow suburb, Russia, November 20–21, 2017.

The meeting will be organized by Institute of Structural Macrokinetics and Materials Science, Russian Academy of Sciences (ISMAN).

The technical program will include the presentations of leading Russian and foreign experts in the field of chemical kinetics, thermodynamics, mathematical modeling, process engineering, physical materials science, chemical engineering, and industrialization of SHS processes and products.

Thereby I invite you to attend the Conference.

The abstracts (in English or Russian, 1–2 pages A4, Times New Roman 12, one line spacing, 2.5 cm indent all around) should be sent before **September 5, 2017**.

Mikhail ALYMOV
Chairman
